**West Mifflin, PA— The 2nd annual Kidney Day, hosted by The National Kidney Foundation and Kennywood, will be held Sunday, July 31 at the amusement park.** Kidney Day was designed to help make people aware of the risks of kidney disease and to provide entertainment for patients suffering from Kidney Disease.

The National Kidney Foundation invites guests to receive a FREE kidney screening starting at 11 AM and continuing until 4 PM in Pavilion 3. Kenny Kangaroo will visit Pavilion 3 at 1:30 PM.

More than 20 million Americans have kidney disease with 20 million more at risk. The National Kidney Foundation's Kidney Early Evaluation Program (KEEP) is a free health-screening program. The Kidney Foundation recommends anyone 18 and older with one or more of the following symptoms to take advantage of this FREE screening.

High blood pressure

Diabetes

A parent, grandparent, brother or sister with high blood pressure

A parent, grandparent, brother or sister with diabetes

A parent, grandparent, brother or sister with chronic kidney failure

The Kidney Foundation dinner for kidney patients and their families is from 2 PM to 5 PM in Pavilions 4, 9, & 10.
