**Human Cannonball, Olympic Champion...
it must be **Celebrate America** @ Kennywood!**

June 28 thru July 3, 2006

West Mifflin, PA— Celebrate America always has fun surprises, and this year, surprises include an Olympic medallist and a Human Cannonball!

American Silver Medallist Scott Donie will join The All American High Dive Show for Celebrate America 2006! Scott, American Silver Medallist at the 92 Barcelona games, brings his excitement and expertise to the cast of world-class divers who are performing through Labor Day at Kennywood.

The 20 minute *All American High Dive Show* features the Human Torch Fire Dive, Olympic style 3 meter and tower diving, comedy and clown diving, and concludes with a daring 80' high dive into a pool that is less than 10 feet deep and 26 feet in diameter!

This fun and exciting show, produced by Dana Kunze, eight time world high dive champion and 7 times world record holder for the highest dive, occurs four times daily, with an extra show on Saturday and Sunday.

And if that is not thrilling enough... Kennywood is proud to present, for Celebrate America, Jennifer Smith, the world's only female Human Cannonball. Jennifer will be launched out of a 24-foot cannon and hurled more than 90 feet across the lagoon twice each day, and three times on Saturday and Sunday.

The Celebrate America festival takes place Wednesday, June 28 thru Monday, July 3, with fireworks nightly at approximately 9:30 PM (weather permitting). For a complete listing of Celebrate America events, visit www.kennywood.com.
